Private Property Locations	Carrizozo businesses
County offices	

Section 1: Fees

Most locations within Carrizozo do not charge fees, but please note that Valley of Fires, state lands, historic sites and the Lincoln National Forest have a separate fee structure and permitting process, more information can be found at these links:

Valley of Fires/Bureau of Land Management

<https://www.blm.gov/programs/lands-and-realty/leases-and-permits/filming-on-public-lands>

Lincoln National Forest Film Permit Information:

<https://www.fs.usda.gov/main/lincoln/passes-permits/event-commercial>

The New Mexico Highway & Transportation Department allows filming, with permission, on its State highways and, in some cases, the Interstate system. Before any filming begins on or next to the highway, the appropriate right-of-way district highway office must be contacted in advance for the required permit. There is no fee for shooting on a State highway. Liability insurance is required in the amount of at least \$1 million. Additional coverage may be required for hazardous work such as highway stunts. Depending on the complexity of the shoot, intermittent traffic control may be required for the safety of the public and crew.

The Highway Department permit requires either State Police officers or the appropriate County Sheriff officers for traffic control. For more information, contact the Film Office 505 476-5600 or the Assistant Traffic Services Engineer/Santa Fe 505 827-0285. Carrizozo is in the Roswell District 575 637-7201.

The phone number for the Lincoln County Sheriff's office is 575 648-2341. The office is located in the Lincoln County Courthouse. For filming in the Courthouse itself, please contact the film liaison.

The Town of Carrizozo requires special use permits for certain areas. Fees may also be required. For the link to the Town of Carrizozo, go to: <http://www.townofcarrizozo.com/contact.html>.
